	TOTAL				56	
	TOTAL GENERAL				1435	

NOTA:

Nivelul salariilor de baza si al indemnizatiilor de conducere pentru fiecare functie este stabilit pe baza O.G nr.3/2006, metodologiei de aplicare a salariilor de baza intre limite si a normelor de evaluare a performantelor profesionale individuale, precum si pe baza Hotaririlor de indexare a salariilor si se modifica conform actelor normative aparute ulterior datei aprobarii statului de functii.

Salariile de merit se stabilesc odata pe an prin dispozitia conducerii, conform art.4 din H.G.281/1993 si O.G.3/2006.

Denumirea functiilor de muncitori calificati este cea care corespunde muncii efectiv prestate, potrivit indicatorului tarifar de calificare (ex.:meccanic intretinere, sofer, zidar, zugrav, electrician, e.t.c.), structura acestor functii urmind a fi stabilita de catre Administratia Lacuri, Parcuri si Agreement Bucuresti.

Repartizarea functiilor pe structura compartimentelor conform Organigramei si numarului de posturi aprobat (respecta normele de constituire aprobate : birou – minim 3 posturi – din care 1 de conducere – minim 6 posturi – din care 1 de conducere) se vor face prin Dispozitia Primarului General.

In situatia in care, in cadrul numarului total de posturi aprobat prin Organigrama, nu intervin modificari, statul de functii anual se aproba prin Dispozitia Primarului General.

Transformarile de posturi vacante se vor face cu aprobarea Primarului General.

Nivelul salariilor de baza corespunzator functiilor, gradelor si treptelor profesionale prevazute in prezentul stat de functii, precum si al celorlalte drepturi salariale aferente se incadreaza in sumele alocate prin bugetul institutiei in anul 2006 la "Titlul I – Cheltuieli de personal", subdiviziunea "cheltuieli cu salariile".
